Listed in our annual program.

Studio12

DANCE & BATON

Let's support each other!

We are always looking for community events, volunteer opportunities, and performance requests! Your sponsorship will help us continue our mission to serve the community through our love of dance and baton. Studio12 is a nonprofit so your funds will go directly towards costuming, performance items, and registration fees for our students. While we are in our first stages, we appreciate any sponsors!

If you are interested, please email: studio12atr@gmail.com or send a message through our website: studio12atr.com. Please include the logo you would like published. Checks made payable to "Studio12"
